PROFESSIONAL EXPERIENCE

Head of Digital Marketing and Communications, Sheth Naturals

2023 to 2025

- Led end-to-end digital marketing strategy and execution for a direct-to-consumer wellness brand, owning multi-channel content calendars, social media presence, paid media coordination, and brand communications.
- Created and managed monthly content calendars across Instagram, Facebook, TikTok, website, newsletters, and community communication channels, ensuring consistent posting and on-brand storytelling.
- Managed social media content creation and scheduling using Canva and Adobe Creative Suite, growing online engagement by 45% through optimised content execution, influencer collaborations, and UGC-driven campaigns.
- Maintained website content updates reflecting product, pricing, and operational changes, applying SEO best practices to improve discoverability and organic traffic.
- Coordinated paid media campaigns across Meta Ads, monitored engagement metrics, and produced performance reports with insights and recommendations for the leadership team.
- Developed marketing collateral including decks, brochures, one-pagers, promotional materials, and presentations supporting brand building and business development.
- Collaborated with external vendors including photographers, videographers, designers, and printers, coordinating creative production end-to-end.
- Conducted member feedback collection, market research, and trend analysis, synthesising findings into actionable insights for marketing strategy and decision-making.

Digital Marketing Lead, Volkswagen Rwanda

2022 to 2023

- Led digital marketing initiatives for Volkswagen Rwanda's brand presence, executing multi-channel campaigns across social media, digital advertising, and external communications in alignment with global brand guidelines.
- Managed Volkswagen Rwanda's social media platforms, content creation, scheduling, and community engagement, ensuring tone consistency with the global Volkswagen brand identity.
- Supported showroom event marketing, vehicle launch campaigns, and community-building activations through coordinated content, promotional materials, and visibility strategies.
- Produced monthly marketing reports tracking lead generation, campaign conversion, and engagement metrics for review with regional leadership.
- Collaborated with internal teams across sales, operations, and external creative agencies to ensure cohesive brand messaging across all member-facing and customer-facing touchpoints.

Digital Marketing Strategist, Trendy Kenya Solutions

2021 to 2022

- Executed digital marketing campaigns for service-based and local businesses across fintech and lifestyle sectors, managing social media content, influencer collaborations, and brand storytelling initiatives.
- Supported multi-brand digital presence management across platforms with consistent messaging, content scheduling, and execution.
- Provided creative and analytical support including campaign reporting, audience insights, and content performance tracking.

UI/UX Designer (Contract), D.light Energy

2021 to 2022

- Partnered with marketing teams to support customer acquisition through branded digital experiences, creating visual assets and design systems used across marketing and digital channels.
- Supported storytelling initiatives focused on trust, usability, and conversion, contributing to creative production across campaign and brand touchpoints.

EDUCATION

BSc Computer Science, African Leadership University (ALU), Rwanda

2018 to 2022
